

Where can my visitor park?

Campus metered parking is available in lots C3, C7, C13 (parking garage) and D10. Meters will take coins, or you may purchase an all-day hang tag (\$12.00) by notifying the Main Office in Illini Hall in advance of the visitor arriving. Hang tags can ONLY be used at campus meters, which are marked with an "I".

City meters are located on the streets. All-day hang tags are NOT good at these meters. Your visitor can park here if he/she is willing to fill it with coins.

Illini Hall is building 65 on this map. The top of this map is north.
